We talked about getting new chairs for the front where we play cards and have meetings. It was decided no mesh backs and no movable arms and backs. A motion was made by Jan Northwick, seconded by Jim Sohn to have Linda Jahnke and Lois Wiborg look at the chair we had picked off the Staples internet site. We will leave it as only having one pot-luck a month but could add something like celebrating birthday for the month on another day.

Linda Jahnke is to get ahold of Sentence to Serve to see if they would paint the building. There is a grant called Valspar to help get paint.

A MSU college student, Smita Sikhraker has asked if she could come and interview older adults about falling for her term paper. This was approved.

The meeting was adjourned.
